INSTALLATION SHEET

Safety, Warnings and Suggestions

- ¹ **Care** should be taken not to position fixtures in locations where bare skin can come into contact with the potentially high temperatures on the lens.
- ² **Make** sure that electrical power is disconnected before any work is performed.
- ³ **All** gaskets and sealing surfaces must be kept clean during installation.
- ⁴ **All** wiring and installation should meet local, state and national electrical codes.
- ⁵ **Install** correct lamp type and wattage.
